

Project Spotlight: New Home - Wilderness Hills Subdivision Lincoln, NE

Builder: Patrick Alan Homes, Patrick Kelley

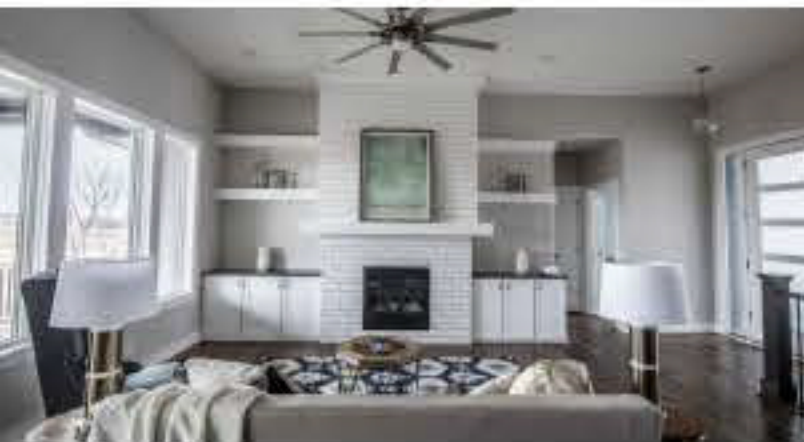

Project Overview:

Patrick Alan Kelley has over 16 years of experience in the construction field, with a total of 13 years in the home building business. He has been using Integrity Wood-Ultrex Windows for the past 3 years. After using many competing brands of windows and dealing with callbacks and warranty issues, he has found that Integrity is Built to Perform, and the service from The Window & Door Store is second to none.

Special Considerations:

The level of quality and craftsmanship found throughout each Patrick Alan Home is a testament to his dedication and strong work ethic. Patrick's years of expertise as a finish trim carpenter are evident in his attention to detail and innovative woodwork designs. He appreciates the quality, fit, finish, and attention to detail that Integrity Windows offers his clients. The strength and durability of the Ultrex Pultruded Fiberglass exterior and the wood interior provide the perfect durable, high performance product that brings lasting value to his projects. This home is located in the Wilderness Hills Subdivision, Lincoln, NE.

The design features Integrity Wood Ultrex Casement Windows and the entry door is a Therma-Tru S85720, Flush Glazed with 3-1/2" Simulated Divided Lite with Satin Etch Glass, which gives the entry a modern appearance.
